¿QUÉ PASA CALABAZA? DC

Hola! I'm Cielo Ondrejcek, better known as Profe Cielo. Originally from vibrant Colombia, I spent two years in Spain before making the U.S. my home 27 years ago.

As a Spanish teacher at a Capitol Hill school, I've been sharing my love for the language with early childhood, elementary, and middle school students for 7 years.

I run a fun after-school Spanish program, host dynamic book clubs, and organize cheerful summer camps where kids explore Spanish through games, music, and creativity.
