Day, Co-ed, Music and Arts

1, 2, or 4 week sessions

\$400-\$1300/session

June 21-August 25

Ages Rising 1st grade-19

Taught by some of Washington's best-known theatre professionals and educators, our camps and classes emphasize the benefits of drama training both onstage and off—from increased self-confidence, communication, and teamwork skills to a desire to stay active in mind and body.

At The Theatre Lab, our summer camp programs are divided into groups based on the grade that the student is entering in the Fall of 2023. We place all children with their peers based on grade regardless of theatre experience. Camp is a very social experience; we want to ensure they are with a developmentally appropriate group. We keep our classes small and group age ranges to provide a challenging, engaging, and age-appropriate curriculum.

Offers financial assistance, scholarships, and/ or slide-scale admission

Full Day: 9 - 3 pm, Extended Full Day: 9 - 5:30 pm

Mini Sessions: 9 - 12 pm | 12 - 3 pm | 3 - 5:30 pm (daily options available)

\$395.00 (full week)/ \$65.00+ (daily) / \$240+ (mini camps 3-hour)

Week 1 (June 26-30) - Week 9 (August 21-25)

Ages 4-12

Friends, games, fun...what more could you ask for? At DC Way, our philosophy is that players learn best when they are having fun. Our exciting Summer Soccer Camp will develop your child's soccer skills through strategic and fun games! We develop both essential physical and cognitive skills through fast-paced drills and exercises. In just a week, you will see changes in your child's motor skills, decision-making ability, spatial awareness, and more! We also focus on teaching life skills one can learn from sports such as emotional intelligence, responsibility, healthy habits, honesty, caring, and self-confidence. In addition to these essential motor and life skills, we put our main focus into initially developing soccer skills. Within these skills, we aim to improve players' decision-making, vision, anticipation, speed, and basic technical moves. By teaching these critical skills, we are building a foundation for our players to progress as both soccer players and people continually. Our main goals for campers: discover and learn the game, develop essential skills & create a positive experience!

June 28 - August 16

Ages Rising 2nd-Rising 10th graders

American Camp Association (ACA) Accredited

Camp Pembroke is a magical place: a horseshoe of white framed bunks overlooking the lake where generations of girls and young women have found their place and their people. Camp Pembroke is the only inclusively-Jewish camp for girls in New England. This is a “world away,” a special girl-focused environment free of many social pressures that may exist outside of camp. Established in 1935, Pembroke is one of the three nonprofit, family-run Cohen Camps. Time flies every day here, filled with campers’ excitement, bright eyes, and joyful energy. Our counselors help transform simple moments into outstanding memories—and curious children into confident teens and young adults. Friendships grow, as do the stacks of symbolic bracelets on each of our wrists. We want everything each camper learns here to help them accomplish everything they want out in the world. We look forward to welcoming you and your daughter to this special sisterhood. Please come for a tour or contact us to learn more!

Adventures on The Hill Summer Camp is a District of Columbia Public Schools Approved Program Partner. At Adventures on the Hill, we are all about making learning a fun, hands-on experience that children will remember for years to come. Our well-rounded curriculum lets campers explore their interests in STEM, sports, culture, health and wellness, and more. By providing a variety of interests, we encourage our campers to pursue their passions and dive head-first into their own learning. We are open Monday through Friday 8am to 6pm.

2 week sessions

\$2,895

June 25-August 4 Ages 8-14

Hameau Farm is more than just a camp. Hameau Farm provides a purpose. A grass-based working dairy farm is the main ingredient in a recipe for an off-the-charts summer! The working women of the farm, our herd of registered Ayrshire cows, soon make all feel at home. And the chores—feeding calves, gathering eggs, taking care of the sheep, pigs, and goats—are warmly anticipated. Additional activities—arts, sciences, yoga, hip hop, all staff-inspired, different yearly, and unique—are offered in the afternoons and evenings. Community created. Compassion heightened. Connections made. Confidence soars. Everything one wants for their daughter. In the past 26 seasons, some participants have discovered their passion. And agriculture benefits. Hameau Farm is changing the face of agriculture, one camper at a time... the experience will mooove you!

Camp Kahdalea and Chosatonga are run independently on two separate campuses, but the two camps sometimes come together for games day and special activities.

1, 3, and 5-week sessions

June 4 - August 3 Ages 8-18

Camp Kahdalea and Chosatonga are Christian camps that foster adventure, friendship, and faith. Since our founding in 1963, we have provided programs that positively challenge and inspire young men and women as well as opportunities for worship that develop a rich, personal faith through reflection and strong role models. In this happy setting, with a host of new friends and opportunities, we'll encourage your child to laugh and play and live life to the fullest. Whether in arts & crafts, riding, field sports, rock climbing, mountain biking, whitewater paddling, caving, and backpacking, our campers start at a beginning level and can advance according to their ability and desire. Our desire and commitment to your child is the same as our own: to create a place where they can grow physically, spiritually, and emotionally within a consistent framework of Christian ideals. Please allow us the privilege of including your child in our camp family.

Ages PreK4-5th grade

iGen ignites learning in children and enhances their 21st century skills through project-based learning and digital learning in science, technology, engineering and math. Campers, or as we call them, iGeners, will engage in Robotics, Makerspace (STEM Projects), Coding, and Science Experiments. Outside of our awesome pathways, iGeners will have a daily “brain break” where they’ll have recess at the local park (weather permitting). Once a week, iGeners will get out of the building for a field trip. We’ll rotate between adventurous, educational, and just plain ole fun trips! They’ll also participate in a weekly special activity such as soccer, Taekwondo, arts & crafts, yoga, etc.

Ages 2.5 – 5

With over 35 years of early childhood education on Capitol Hill, Ms. Frances continues to nurture and guide her “sugars” through child-directed play and exploration with the enthusiasm and love she has had since day one. She emphasizes kindness and friendship as she helps the kids learn the appropriate boundaries they will need for a successful early start to education. The second teacher, Miss Al’Asia, is a kind soul who provides gentle guidance to the children. Ms. Frances is always arranging fun activities for the kids, including private East City Books & SE Library story time, playground and splash park visits!

Day, Sports (works with partners to provide access to after-school sports programs)

Ages/ Grade K-8

Youth Sports For All enrolls youth in high-quality after-school and summer youth sports programs. We aim to give children who may not easily access such programs due to finances and other structural barriers the same opportunities that other children in DC already have. The program primarily serves girls and boys in grades K-8 in wards 5, 6, 7, and 8. CRYSP DC arranges scholarships, helps parents/guardians find programs that fit their family's needs, registers kids, and purchases athletic shoes and personal equipment when needed. All at no cost to participants, thanks to our partners.

camp)
One-week and two-night sessions
July 9 - August 12 Ages/ Grades 5-17/ PK-12

Camp Under the Stars is an inclusive, overnight micro-camp located in the Prince William Forest in Dumfries, VA. Our mission is to provide a supportive, inclusive camp community that values each child's uniqueness, celebrates our differences, and respects nature and the planet. Camp activities include art, hiking, kayaking, paddleboarding, mindfulness & yoga, waterfall walks, cooking nutritious campfire meals, library, STEM, and outdoor play. Throughout all our camp programming, campers learn to treat each other with kindness, use empathy, include others, and care for the natural world. Overnight camp for ages 5-17 is designed for first-time campers and those who have camped before. Campers live in cabins with cots and electric lights, with flush toilets very close by. Some meals take place in the dining hall and others are prepared over a campfire. We welcome all children ages 5-17!
